Yeah, I agree Right now I use it just as a shortcut so I don't have to do it completely from scratch, but don't rely on it to convert everything perfectly.. As far as I know, the conversion itself is performed by an open source program called Audiveris.. Please, answer the questions below to help us make Musescore com better! What, if anything, do you find frustrating or unappealing about Musescore? What new capabilities would you like to see for MuseScore?.. However it doesn't convert all that well It confuses the notes into two parts when there is no two-part writing so it sounds awful, and even when there is two-part, it still sounds pretty awful: (I'm guessing only the simplest of PDF conversions are successful.. It is still in pretty early stages of development It's an extremely complex thing - PDF files simply don't contain the sort of information that would be needed to do a good job.
